

Instructions for Registering a New Team

1. Contact the club where you would like to play to verify that they have adequate court space for an additional team.
2. Determine the level at which you would like to play.
3. Select a name for your team.
4. Determine which members will be captain and co-captain.
5. Contact Leona Kain when you have all the above information so I can enter the team information into the database.
6. Once the team has been entered into the database, the captain can register the team and add players to the roster.
7. You must have 10 paid players on the roster by the team registration deadline in order to be eligible to play in the spring 2012 season.
8. You cannot have more than 4 players from a higher level or more than 4 players from a lower level.
9. If you will be playing at a club that does not currently have an HLTA team, you must make sure that this club is within the HLTA boundaries by contacting the HLTA office. You will need to obtain the physical address and telephone number if available.
